

DOROTHY/PEGGY

(Continued)

I'LL BE WAITING WHERE THE LANE BEGINS
 WAITING FOR HIM ON NEEDLES AND PINS
 AND THEN
 THE WORLD IS GONNA BE MINE
 THIS EV'NING
 ABOUT A QUARTER TO...

PEGGY

(Taking over)

NINE!

DOROTHY

(After a moment)

Pat, get me the hell out of here!

19APLAYOFF

PEGGY

(As PAT wheels DOROTHY off Right)

Thank you!

(DOROTHY goes as several GIRLS
 enter and surround PEGGY. MUSIC
 continues quiet clarinet under
 dialogue)

ANNIE

Oh, Peggy!

PHYLLIS

Are you nervous, Hon?

LORRAINE

That's a pretty dumb question, of course she's nervous!

A GIRL

But she'll come through, won't you, kid?

PEGGY

I'll try.

ANNIE

She's gotta come through! Not for Jones or Barry or any of
 those stuffed-shirts out there, but for us! The kids in the
 line. You're not just Peggy Sawyer tonight, you're every
 girl who ever kicked up a heel in the chorus. Get out there
 in front, kid, and show 'em what we can do!

PEGGY

Oh, Annie, Gladys, Lolly, Phyl, I'll do my best, I promise.
