

START

HA!

MAUI

*(A monster runs away.)*

~~SING YOUR WARRIOR SONG  
OH THAT WARRIOR FACE~~

~~MOANA~~

RAH!

MAUI

*(Maui and Moana make faces together. Another monster runs off. Maui and Moana celebrate. A large group of monsters creep up behind them.)*

~~TIME TO DEMONSTRATE  
I'VE BEEN A WARRIOR ALL ALONG~~

~~MOANA~~

~~I'VE/YOU'VE BEEN A WARRIOR ALL ALONG  
HUH!~~

~~BOTH~~

*(On their final HUH, Maui and Moana scare of the last group of monsters. Maui and Moana have made it to Tamatoa's Lair. Tamatoa's Lair is glittering, filled with his sparkling treasures. On a huge pile of riches is Maui's fishhook.)*

MOANA  
We made it. Wow. This Tamatoa guy really likes his treasure.

MAUI  
*(Maui is impressed at Moana's fearlessness.)*  
Yeah. You did good. I kinda thought you would have run off or you'd be dead by now.

MOANA  
WHAT?

MAUI  
Wait here while I grab the hook.

MOANA  
You're not leaving me behind.

MAUI

Mortal. You'd only screw things up and *(lightbulb)*...and end up as bait.

MOANA

Uh. Why are you looking at me like that?

MAUI

I have a plan.

*(Maui dresses Moana up in a shiny outfit.)*

MOANA

Are you sure this is going to work?

MAUI

For a thousand years, I've been thinking of getting my hook and being awesome again. This has gotta work...because it's gotta. *(He inspects Moana.)* It's go time, human.

*(Moana in her shiny outfit bangs a gold object and marches into Tamatoa's lair. Maui hides behind a shiny object, out of view.)*

MOANA

*(loud, but like she's reading cue cards)*

"Wow, a shiny glittery cave and just like me it is covered in sparkly treasure. Sparkle. Sparkle. Sparkle.

MAUI

You're not selling it!

MOANA

This is stupid! I'm just gonna grab the hook.

MAUI

*(loud whisper)*

You do that, he'll kill you. Stick to the plan. Oh, when Tamatoa shows up, distract him by making him talk about himself. Tamatoa loves bragging about how great he is.

MOANA

*(loud whisper)*

You two must get along great.

MAUI

*(loud whisper)*

No, not since I ripped off his leg.

END
